

Hello!

Congrats on your big day, and thanks for thinking of Lucky 13 Salon to be a part of it! We specialize in styles that are soft & romantic, bohemian & a bit undone. We are very comfortable with all kinds of nontraditional couples and ceremonies, and will customize our services to help make your day special.

In addition to hair stylists, our squad has an airbrush artist who does everything from natural to full glam makeup. Our goal is to have you look like yourself, just a really good version of yourself.

If you choose to have your styling done in our salon, we offer a very casual, laid-back environment to help keep you comfortable and stress levels down. Our style squad is also available for on-site styling, given enough notice.

Please see details below, and e-mail us back with your information if you'd like to proceed, so we can schedule consultations.

We look forward to hearing from you!

Best wishes,
Lucky 13 Salon Style Squad
